Dear Sir:-

re S.W. quarter of 30-27-I West of 4

Millar, but was cancelled, and filed on as a pre-emption by W.S. The above quarter section was held under Bell early this year. Mr Bell was asked by the Department to make payment of about $250.00 for Seed grain and Relief supplied to Millar. I would like to point out that the Department holds a Lien on the N.W. quarter of the same section, which is Millar's homestead, for the full amount of Seed grain and Relief he received. As the Seed grain was used to crop land on his Homestead, Mr Bell rightly feels that it is an injustice to him to be asked to pay up these Liens, and he has instructed me to recover from the Department the sum of $60.00 which he has already paid on account of your claim. As Millar is still in possession of his Homestead, it would appear to me to be an unusual interpretation of law, that would compel another man to pay off Millar's indebtedness.

Millar is at present negotiating for the sale of his Homestead and I would like to know whether the purchaser would be liable for the Liens you hold against it, or whether Mr Bell is responsible for same, and or as an alternative what portion of the Lien would have to be paid by the purchaser of the Homestead and what portion by Mr Bell who filed on the pre-emption.

An early reply will be much appreciated.

Yours truly,

Sir,

S.W.¼ 30-27-1-W.4.M.

I beg to acknowledge receipt of the statement you made on the 26th ultimo, in defence of the cancellation proceedings instituted against your purchased homestead, the land above described, and in reply to say that these proceedings were not taken for non-payment of seed grain but for the non-performance of duties.

Under the regulations you have to put in six months residence in each of three years, erect a house worth $300.00 and cultivate fifty acres of the land, a reasonable proportion of which must be done in each of three years, during two of which the breaking must be in crop.

I will also point out that if you lose this purchased homestead you will be unable to secure another one as the privilege of pre-emption and purchased homestead entry was withdrawn on the 20th March, 1918.

Unless within thirty days from this date you definitely state your intentions to the Agent of Dominion Lands, Calgary, in regard to completing the duties and applying for patent, he will cancel your entry summarily without further notice and otherwise dispose of the land.

With reference to your letter of the 17 th. ultimo, I beg to inform that the seed grain indebtedness this department is endeavouring to collect from you is not the indebtedness of ... You received the seed grain and signed two liens , which will remain a debt against your name until they are paid , and your apparent repudiation of the debt is not understood. Re: Account of Thos. Bell
S.W. 30-27-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 Thos. Bell obtained entry to the S.W. 30-27-1-W4 and made a payment of $60.00 on the seed grain indebtedness of the previous entrant Wm. T. Millar.

In 1919 and 1920 seed grain amounting to $508.20 was advanced to Thos. Bell on the security of the above mentioned land. In 1924 his entry was cancelled and the $60.00 payment was transferred to the credit of his indebtedness. The present standing of this account is:-

Principal	Interest	Total
$ 508.20	$ 1,161.07	$ 1,669.27

In reply to our questionaire of the 14th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land which according to our records is vacant at present. This parcel is located in that part of the Province designated "Special Areas" and as such there is little likelihood of this land ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

Re: Account of G. Miller
N.E. 31-6-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $105.00 was advanced to G. Miller on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 105.00	$ 250.06	$ 355.06

The N.E. 31-6-7-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 27th of April 1953, the land now stands in the name of Mr. Albert Miller, of Orion, Alberta, clear of any encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C. C. Gilchrist.

The undersigned member of the Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

OTTAWA, March 5,1920.
